

28 December 1955

MEMORANDUM FOR: Assistant Director/Scientific Intelligence

SUBJECT: Guided Missile Committee

25X1A

1. [REDACTED] of FBI, called on 28 December 1955, to pass the following information to you.

2. If a Guided Missile Committee is formed, the Director, FBI, has requested that the FBI be a member of such a joint committee.

25X1A

3. [REDACTED] further stated that the FBI does not desire to take a position on the question of whether or not there should be a committee; but if one is formed, then they want to be a member. [REDACTED] said he would probably be the member if the committee is formed. 25X1A
